## EXPERIENCE

**Healthy CUNY Advocate**  
**CUNY Graduate School of Public Health**  
*May 2022 - December 2022*

- Advocate with HealthyCUNY as part of the CUNY Research Foundation. Working to connect food-insecure students and other disenfranchised individuals to helpful resources at the school, state, and federal levels, while advocating for more accessible assistance in local communities.
- Worked on HealthyCUNY Instagram page, created posts and reels that gained 100+ likes and shares. While on the team, over the course of 4 months, my team members and I were able to increase the following of the page by 500 followers.

**Receptionist at Parkville Vision****Dr. Tanya Kontorovich Office***January 2022 - February 2022*

- Greet visitors and callers, handling their inquiries and directing them to appropriate persons according to their needs.
- Maintain appointment calendars/scheduling, confirming appointments for customers.

**Rimidi Data Entry (Volunteer)***November 2021 - December 2021*

- Calling patients, writing down blood pressure reports
- Reporting information onto a data entry software page

**Volunteer Student Teacher at Peace Academy (Islamic Institution For Girls) September 2021 - October 2021**

- Aided in helping parents understand teachers despite language barrier
- Taught young girls about Islamic code of conduct and taught stories about prophethood to preschool-aged children
- Aided in assisting teachers with student misconduct and behavior
- Helped to manage student supplies and organized paperwork

**Writer for The Midwood Argus (School Newspaper) Midwood High School***Writer Fall 2019 - June 2020*

- Writer as part of an elective journalism class
- Published editorial piece  
["https://www.midwoodargus.com/blog/2020/1/16/travel-vlogger-reveals-hidden-beauty-of-impoverished-countries?rq=harmain%20munir"](https://www.midwoodargus.com/blog/2020/1/16/travel-vlogger-reveals-hidden-beauty-of-impoverished-countries?rq=harmain%20munir)

**Home Tutoring for ESL (English Language Learners) - *Volunteer***

- helping students who are struggling in school with completing assignments
- Aiding students in neighborhood during COVID-19 pandemic to pass their classes
- Helped English language learners be taken out of ESL programs
- Helped parents with translation and speaking to school and office personnel

**School Newspaper, Ditmas Junior High School**

- Developed writing and leadership skills in my final year at the junior high school

**The Penny Harvest, Colonel David Marcus Elementary**

- Charity and Volunteer Work which involves the collection of pennies donated by students' families which is then given to charities.
- Visited a food pantry and saw first-hand how food is delivered to those in need
